10–4. NARA Records Center Facilities

Army activities may not send records directly to an NRCF without prior authorization from USARMDA. The NRCFs listed in table 10–1 were established to receive and maintain records of federal government agencies with long-term or permanent value, pending their ultimate destruction or accession into the National Archives. These centers furnish reference service for the records that they maintain.

- a.* Use OF 11 (Reference Request-Federal Records Centers) to secure the loan of, or gain access to, agency records that were retired into the NRCF system.
- b.* Use SF 127 (Request for Official Personnel Folder-Separated Employee) to request the return of retired Official Personnel Folders (Civilian) from the National Personnel Records Center.
- c.* Use SF 180 (Request Pertaining to Military Records) to request the return of retired Official Military Personnel Folders from the National Personnel Records Center.
